Today marks significant milestones both in my personal journey and in the life of TwoCooks. Today commemorates 30 years since I embarked on my culinary journey, dedicating countless hours to the craft, with a steadfast commitment to excellence. Between Myself and Nicola we have 60 years combined in our industry.

For those in the know, you understand the dedication that has fuelled our journey.

Together, as TwoCooks, we've weathered storms and celebrated triumphs, fuelled by determination, resilience, and the unwavering belief that failure is simply not an option.

From the depths of a recession, we rose, building a vibrant community in Sallins and earning a reputation for excellence that resonated far and wide. It has been an absolute joy serving our loyal customers, who have become cherished friends along the way.

As natural progression had it we renovated TwoCooks, expanded our wings to Kill all in the midst of a pandemic. Again we adjusted and the staff adjusted to what was then a new normal. We grew again to the stunning Lobster Pot and our customer's support helped us through two years of change and adjustments.

A few more curve balls did come our way, energy crisis, war, cost of living crisis VAT hikes, wage increases the list is endless. To say it's been a roller coaster ride of emotions and hard work is an understatement.

The reality of our current climate is undeniable, with over 212 restaurants shuttering their doors since the start of 2024. While the road ahead may be uncertain, our resolve remains unyielding. Thus, it is with a blend of nostalgia and optimism that we announce the next chapter in our journey. After much reflection and soul-searching, we have made the decision to bid farewell to TwoCooks Restaurant.

Our Cafe Business will continue at 2C Cafe, we plan to embrace a more casual, accessible approach to dining, a family friendly day time operation.

We would like to say a very special thank you to all the team past and present since January 2017.
From the bottom of our hearts

Thank you
Josef & Nicola
